Student Talent Shines in "Dukes and Dames"

The "Varsity Drag" and Martha Baumracker with Nancy Campbell as 1920 torch-singers were headliners in this year's varsity show, "Dukes and Dames." The modern "dawnce" and the traditional can-can offered interesting contrasts, while Melodie Vermoch and Steve Miller wowed packed houses with their "Pepression Frolics."

Y's Tales Staff Presents York "Behind the Scenes

"A decidedly blessed event" was the connotation given to the 1960 edition of *Y's Tales*. Under the direction of Mr. Hitt, the staff, feeling that it was time for a change, has tried hard to think of new methods and innovations with which to present this year's theme "Behind the Scenes at York." Included among these new features are the increased use of candid photographs showing York at work and play and showing places that most students do not have the opportunity to see in their four years at York, a special homecoming section, the grouping of teachers by departments, full page pictures showing characteristic features of each of the departments, and more variety in the underclass section of the book.

The *Y's Tales* staff is open to any member of the sophomore, junior, or senior class providing that he has a sufficient grade average and the recommendation of his English teacher.

1960 Y's Tales

To prepare a book such as this requires the work of many people. On these pages are pictured the students who devoted their talents and time that made possible your 1960 *Y's Tales*. Miss Marian Johnson was in charge of the Art Staff, and Mr. Henry Hitt was faculty director for the Editorial and Business Staffs.

York is justly proud of its Gallup Award winning student newspaper. Under the direction of Miss Eleanor Davis, the *York Hi* has long been a first-class student publication.

Since the newspaper is printed at York by Mr. Lowell Woodburn's printing students, valuable training is offered not only to journalism students but also to those in the printing classes.

National Honor Society Glorifies Hard Work

Character, scholarship, leadership, and service are the keynotes to election into the National Honor Society. To be considered eligible for election to this honorary society, a senior must be in the top ten percent of his class, and a junior must be in the upper five percent of his class. Eligible students are elected by faculty vote.

Highlighting the year is the spring induction ceremony. At this time new members are received into the organization. This ceremony is conducted by the senior members who had been elected in their junior year and whose election was reconfirmed. During the course of the ceremony, a series of speeches by the students tell the background of the society and explain the National Honor Society Pin.

Quill and Scroll is a national society recognizing students who show outstanding ability and service in the field of journalism. The national organization sponsors writing contests and awards summer scholarships. The York chapter, under the guidance of Miss Davis, has an annual dinner and initiation for new members.

To be eligible for membership, candidates must be juniors or seniors in the upper third of their class, and have 45 published inches, 45 hours of service, or be a department head on the yearbook staff. Members of the *York Hi* and *Y's Tales* staffs, Art Staff, and Print Shop are eligible. At the end of the year Quill and Scroll elects a number of honorary members.

Under the direction of Mr. Brown and Mr. Sohne, this year's student council was again successful in serving the student body and in developing cooperation between students, faculty, and administration.

The student council's first project this year was the organization and carrying out of an entirely new homecoming program. Other projects included the sponsoring of the variety show, "Dukes and Dames," the establishment of a research committee to handle much of its committee work, and the execution of a new checking out procedure for the library. Council also sponsored a leadership training school for its representatives and club officers, took care of suggestions to improve the cafeteria, and began a long range program to improve the various aspects of school spirit.

In its second year, *Collage,* is making an important contribution to York. The student publication is given over to presenting some of York students' best writing, both prose and poetry. The magazine is a combination of creative skill, for it not only presents original writings, but the publication is an outlet for student art work.

Collage is under the direction of Mr. Donald Erickson.

During the football season, the band prepares and executes half-time entertainment.

Two major concerts were programmed for the Concert Band this year in addition to the combined Vocal and Band Christmas Program.

Band members give much of their time and talent to both school and community. They are frequently called upon to perform before civic groups in the area. Band members are devoted to their work, and well they need be.

Brasses, Woodwinds, and Concentration

York's Band members are for the most part serious musicians. The band meets once a day at least for an hour rehearsal. Individual practice and weekly sectional rehearsals demand much of the students' time. York's Band members are proud of their organization and its reputation. They consider it to be one of York's many privileges and rewarding opportunities to be a member of our music program.

Mr. LaVerne Reimer, York's Director of Bands, is a hard worker who demands much of his students. The candid camera caught Mr. Reimer in what band members must recognize as a characteristic gesture.

Orchestra Applauded at Home and Away

The String Quartet is an important group of the orchestra. Rated as first class musicians in state competition, the group is popular with many civic and club groups in the community.

Through the efforts of Mr. Lee Pondelick and his serious musicians, York has an orchestra of top quality. In addition to the Christmas program, the orchestra presented two major evening concerts. These programs won the praise of the community music lovers.

A highlight of the orchestra's busy year was an exchange program with the Cedar Rapids, Iowa, high school orchestra. It was a grand trip in every way. There members of the York orchestra were feted by an enthusiastic group of young hosts and hostesses. York is and can well be proud of this musical organization.

These scenes from the fall production of "N Time for Sergeants" tell only part of the story of finished dramatic presentation. Before a play is rea for the performance, many hands have been bu at work. Here we see a make-up training session, busy stage crew at work, the girls of the wardro department, and the all-important light crew setti up a cue sheet.

"The Play's The Thing"

A Varied Program Presented by Drama Dept.

"No Time for Sergeants" was the first dramatic presentation of the school year. Directed by Mrs. Margaret Meyer, the play started the department's program with a bang—and a howling success. The second offering, directed by Mr. Robert Helland, was "Life With Father." Scenes from both of these productions appear on these pages.

One of the busiest groups in the school, the Drama Department included in its schedule of plays "An Evening With William Shakespeare" and "Diary of Anne Frank." The Shakespearean program is pictured on page 135. The late production date in May for the last play prevented its inclusion in this book.

York's chapter of Thespians, Troupe 1933, is affiliated with the National Thespian organization. Its membership is open to students interested in drama and the theatre in all of its phases. Full membership in the organization is based upon points earned through work on York's varied dramatic projects.

Active with all major dramatic productions, members of Thespians receive valuable training in many areas. York's Thespian Chapter is under the direction of Mrs. Margaret Meyer.

"An Evening with Will Shakespeare" Highly Acclaimed

Brightening up an otherwise dull February, the Drama Department presented "An Evening With Will Shakespeare." Under the direction of Mr. Robert Helland, some of the well known scenes from Shakespeare were presented. Pictured here are scenes from two of the cuttings: "Taming of the Shrew" and "Romeo and Julliet."

The major work of the evening was a production of "Julius Caesar" in modern dress. Various scenes from that play appear on this page.

Presentation of Shakespeare is not new to York, but it has been a long time since we have had the privilege to see such highly competent productions as these were.

It can be hoped that the Drama Department will make such an evening a traditional offering in their year's program.

Shutter-Bugs Are Really Artists

Camera Club Officers—Beverly Sandquist, Secretary; John Neumann, Vice President; John Becker, President.

The main intention of the York Camera Club has been to teach the basic rudiments of photography. Those who are interested in the art of photography are instructed in the darkroom procedures of development of film and the use of enlargers. Interesting discussions and problems are discussed, among these being different lighting techniques and the proper film-developer combinations. The more serious photographers participated in the Kodak and Ansco photography contests.

Several members of this year's Camera Club also served as photographers on York's year-book staff and newspaper staff.

Some novice might think photography is simply a matter of twisting a few dials and then pushing a button, but Camera Club members found this to be an entirely wrong idea. Photography is an art which involves the critical eye of a devoted artist. It takes many years of practice to become even a fairly good photographer.

Any boy who has earned a letter from York, is in good standing with the school, and participates in at least one sport during the year is eligible for membership.

Club members sell programs for football games, help usher in crowds at basketball games, have charge of the basketball line-up score board, and run a check room as a service to the spectators. Members may earn club pins and year guards by participating in these projects.

This year the club gave a wrestling trophy to the school. An outstanding wrestler will be chosen each year and his name will be inscribed on the trophy. The record plaques for the track team and the basketball free-throw trophy are recent projects of the Lettermen's Club. Highlights of the year are the initiation ceremony for new members and the spring picnic.

Club sponsors are Mr. Wachenheim, Mr. Newton, and Mr. Paddock.

Members are selected from junior and senior girls who participate in the try-out session. Before the final performance the Pom Pon Girls treat themselves to a banquet at which the sponsor—this year Mrs. Hedburg—and the captain are guests.

GAA an Outlet for Active Girls

York's Girls Athletic Association was organized for those whose interest in athletics extends beyond their daily gym class. The purpose of this state-wide organization is to promote interest in sports.

At York teams are organized each fall which participate in various sports after school each Tuesday and Thursday. This rotation of sports each six weeks allows the girls to become familiar with several activities.

GAA members can earn awards by participating in such sports as Field Hockey, Volley Ball, and Basketball. Each year the club sponsors a mother-daughter tea and a father-daughter banquet. Club sponsor this year was Miss Simms.

Through modern dance, girls have the opportunity to create moods and expressions to different types of music. This, however, is not the only purpose of the club. It also helps the girls to keep trim and to develop poise.

The ultimate goal of each dancer is to perform, and they have had several chances to do so this year at various school functions as well as at their own concert "A Date with the Greats."

Oklahoma!

Too late to be in last year's *Y's Tales,* these pictures recall a happy event for York. *Oklahoma* was our first venture in the field of really top-notch musical comedy. It was a brilliant success.

At the top we see Dick Kotz and Helen Krause, who played the parts of Will and Ado Annie. Virginia Weiner was a natural for Aunt-Eller. Loretta Ledowski and Robert Eddy played the leading roles of Laurie and Curly. Jim Hughes is shown with his Ado Annie.

Below is the lively dance group that proved to be near professional. It will be a long time before York's theatre patrons will forget *Oklahoma.* The spring production was under the direction of Mr. Jack Witmer. He was assisted by Mrs. Margaret Meyer and Mr. LaVerne Weimer.

Barons Follow Dukes' Leadership

The Dukes proved to be on the road to royalty this year by playing their best season in five years. To get the year off to a fighting start, the Dukes downed state ranked Elgin, 19-13, for the season's opener. The monsoon season then opened on East field, where York drowned the Hilltoppers of Glenbard, 13-2, in a sea of mud. The remaining games of the season were also played under similar conditions. In high spirits, the Dukes travelled to mighty Maine where they were humbly plastered, 25-0. For homecoming, York was bogged down and beaten by the Trojans of Downers Grove, 24-6. After a hectic week of practice, in which it was discovered that quarterback Jim Suckow and tackle Jim Bolin would be lost for the rest of the season due to injuries suffered in the Downers Grove game, the Dukes were ready to face the Cardinals of Arlington who were ranked third in the state. York's defensive wall was able to contain Arlington for the first half, but during the second half the dikes broke and Arlington walked off the field with a hard fought-for 13-0 victory. At Riverside-Brookfield, the Bulldogs slimed to a 20-13 win. It was at La Grange that an inspired defense and an improved offense was able to swamp the Lions 27-0. It was through key interceptions by Harold Daugherty, the work of all conference back Jim Elliot, the fabulous running of Jerry Stolt, good quarterbacking by Bob Howard, and the tremendous defensive work of John Bullaro, Roger Ackerman, John Coughlen, Roger Moos, Earl Niemoth, Bill Finneran and Wayne Gianneski that the Dukes were able to win this well deserved victory. For the season's last game and the last game for many of the above mentioned seniors, York lost a close battle to the Red Devils of Hinsdale 14-12.

Hapless Harriers Look Toward Winning Barons

The 1959 Frosh-Soph cross country team won the conference title by winning six out of seven and by taking first in the conference meet where all eight teams competed. Decisive wins were registered over Glenbard, Arlington, Downers Grove, Riverside-Brookfield, and Hinsdale. The victory over Lyons was a close 27-28. The only loss was encountered with Maine with a score of 25-30.

In varsity competition, York didn't fare too well. They took seventh in the conference. The low standing was partly due to inexperience and the fact that most of the promising seniors were lost to the people to the west. Next year the team has an excellent chance to win the conference championship with this year's Frosh-Soph team competing on the varsity.

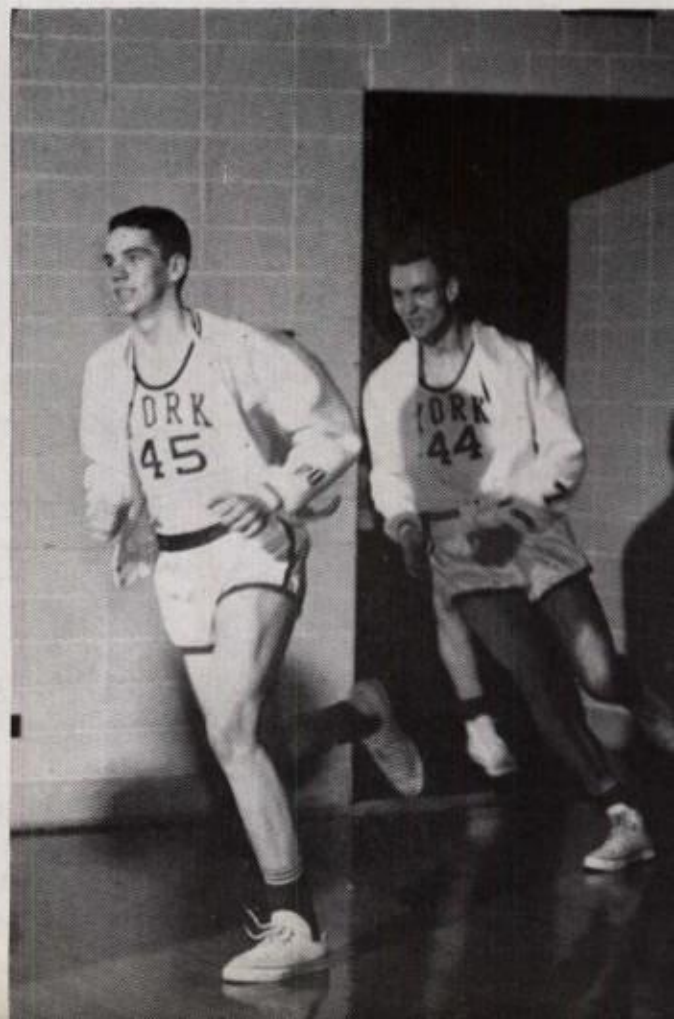
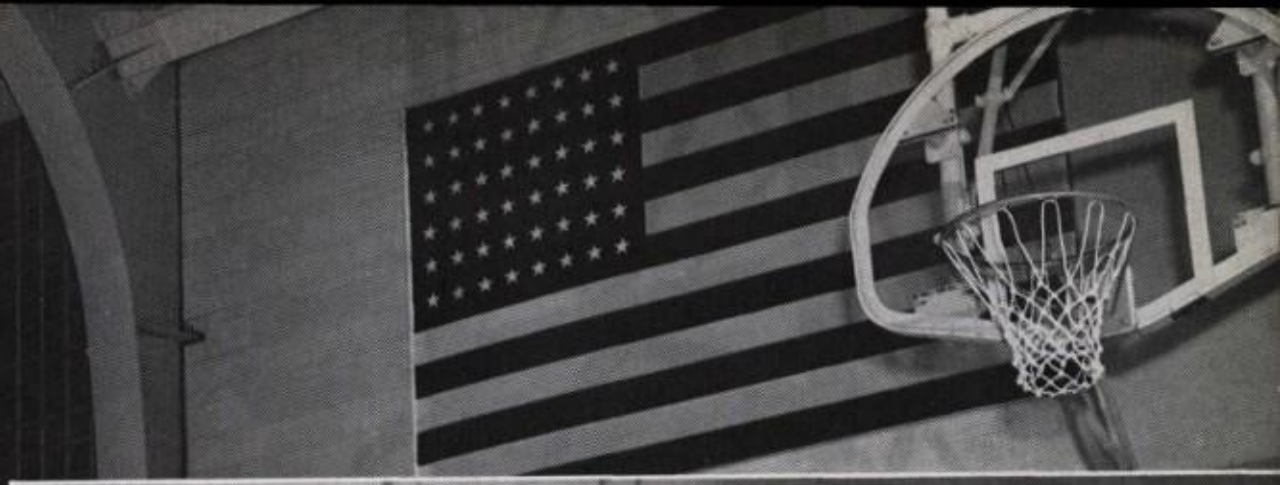
Yea . . . York!



And then the game . . .



Chalk talk

Here Are the Dukes

This year the York varsity basketball team made an excellent 2nd place showing behind the defending champions, Hinsdale. Behind the excellent coaching of Mr. Hazelton and Mr. Stinson the team sported an eleven win and only three loss record, and a seventeen win and five loss record overall.

After winning their first two conference games, the green and white were upset by a determined Downers Grove team. They then went on to win their next four games only to lose a close battle to Hinsdale 53 to 51. After losing to Glenbard the next week, they finished the season with six successive wins, including a victory over Hinsdale by ten points at the end of the season.

During the regional competition, the Dukes first subdued St. Francis and then Downers Grove but then lost out in the last game by bowing out to Glenbard.

The Dukes were led this year by all-conference center Jim Bolin, who averaged eighteen points a game during the last seven games of the season, and forward Jim Long, who was the team's leading scorer. Sharing the pivot duties with Bolin was Bill Wendt, whose valuable rebounding helped carry the Dukes through. At guard we had Chuck Adams and John Coughlan who both did excellent jobs as playmakers.

At the end of the season, the team elected Jim Elliot as the team's most improved player.

York is Proud of Its Track Team

Under the able leadership of coach Stefani and coach Newton, the Dukes had a fairly successful 1959 season. Some of the major meets that York participated in were the Naperville and the Rockford relays, in which York placed first; the county meet in which York placed second, and the Palatine relays in which the Dukes placed fifth. York also placed second in a triangular meet with Oak Park and Maine.

Leading trackmen in the 1959 season were James Elliott in the high hurdles, Fred Faulkner in the one hundred yard dash, two hundred and twenty yard dash and the relay team; and Tom Briggs and Bill Lux in the half mile. Members of the 880 yard relay team were Faulkner, Elliott, Zingarelli, and Bartlett. The mile relay team of Brown, Lux, Briggs, and Zingarelli set a new school record of three minutes and thirty-two seconds.

Top men in our field events were Irvin Topel, pole vault, Wayne Gianneschi in the high jump, Carl Manning in the broad jump, and Mike Pasaltis in the shot put.

Grapplers Grapple Second Place in W.S.C.

York's wrestlers had a successful season this year, by tying for second in the conference. We had a nine win and only four loss season, our only losses being to Maine and Hinsdale in the conference, and to Palatine and Proviso East in non-conference meets. At the end of the year the team elected Roger Ackerman and Bruce Strom as team captains with Strom also being elected as the team's most outstanding wrestler, with nineteen consecutive wins in dual meets.

In district competition at Palatine, York was third behind Palatine and the state champions Leyden East. Wrestlers who placed were Chuck Nelson, 3rd; Ron Werlein, 3rd; Roger Moos, 3rd; Strom, 2nd; and Ackerman, 2nd place. These six boys advanced to the sectionals at DeKalb, where we again took 3rd place behind Palatine and Leyden East. The wrestlers who placed at the sectionals were: Nelson, 3rd; Gould, 3rd; Werlein, 4th; Strom, 1st; and Ackerman, 1st.

Strom and Ackerman then proceeded down state where they wrestled in the 133 and 145 pound weight against fifteen of the states top wrestlers. Strom took seventh and Ackerman took fifth place during this hectic two day period.

Several of the Dukes were able to make the all conference squad, these being Ron Paulson, Chuck Nelson, Bob Gould, Bruce Strom and Roger Moos.

Under the coaching of Mr. Hazlett, the York musclemen culminated a very successful season with a seven-win and only two-loss record. At the beginning of the year, it was thought that there would be a serious deficiency of qualified men in various pieces of equipment due to a split in student personnel with the people to the west. These fears were all dispelled, however, when the team finished third at the Northern Invitational Gymnastic meet behind Proviso East and last year's state champions, Arlington.

The season got off to a rousing start with quick and decisive victories over Hinsdale, Willowbrook, Lane Tech, Maine East, and New Trier. A trip to Proviso East led to a defeat, which was avenged in the next two weeks with victories over Thornton and Proviso West. The last meet of the season was with last year's state champions which we most unfortunately lost to by a rather wide margin.

This season the Dukes had an identical record with 1958, a seven-win and seven-loss record. This year, however, the Dukes finished fourth in the conference, one notch higher than last season. Things looked bright for Coach Ellingson's first year at the post of varsity baseball coach, since he had a spirited and experienced team. In the batting department, Jim Long hit .326 to lead the team, while Ed Howe hit .325 for a close second. Howe also led in the runs-batted-in department with a total of thirteen.

The pitching of the team was also good. Nick Chipain had a four-win and one-loss record, while Ron Rau finished the season with an earned run average of 2.97 and leading the team in strikeouts with a total of fifty.

The Dukes will be looking forward to even a better season next year, although a few players were lost to the new high school.

The varsity tennis team finished second in the conference during the 1959 season behind state champions Hinsdale, with Dave Naefe winning third place in the conference meet.

Besides defeating Downers Grove, Maine, Glenbard, Riverside-Brookfield, and Arlington Heights, the netmen also defeated Blue Island, Danville, Oak Park and Proviso.

Al Hansen and Pete Voss played doubles downstate, and Dave Naefe went downstate to play in the singles competition.

Varsity Golf—(left to right) Jerry VanHoose, Larry Swanson, Tom Santori, Jack Uhrig, John McAskill.

Dukes Swing Into Second Place

The 1959 golf team finished third in the conference this year, with a seven-win and four-loss record.

In the district meet, the Dukes were unable to go downstate by losing to Downers Grove by one stroke. Team captain John MacAskell also just missed going down state by one stroke. After the district meet, the Dukes avenged their close loss to Downers Grove by beating them in the conference meet. According to coach Hulka, the team also had other top players beside MacAskell including Jerry Van Hoose, Jim Lindstrom, Larry Swanson, Jack Uhrig and Bill Savory, many of whom were lost to the new high school.

The frosh-soph unfortunately were seventh in the conference due to a lack of depth in the team. Tom Penny, frosh-soph team captain, was able to place high in the conference meet.

Frosh-Soph Golf—**Row 1:** Kersten Kraft, Bill Anderson, Tom Penny, Tom Brehe; **Row 2:** Bob Orvis, Bob Schlamer, Chuck Cerling, Fred Langelle, Joe Kusta, Ray Ruble.

Intramurals Prove Worthy of Acclaim

Basketball has always been an important part of the York intramural program. Each gym class has an opportunity to organize its own team. These teams then compete in a round robin tournament. This year the intramural program was under the direction of Mr. Larson.
